- breach hereof, then said Deposit shall be forthwith returned to Buyer. Escrowee may so disburse the Deposit without consent of Seller so long as, in Escrowee's subjective good faith judgment, closing has failed to occur for reasons which do not arise out of Buyer's breach hereof.
- ii) If closing of this transaction shall fail to occur for reasons which <u>do</u> arise out of Buyer's breach hereof, Escrowee shall disburse the Deposit, 50% to Seller and 50% to Auctioneer, as liquidated damages herein provided. Escrowee may so disburse the Deposit without consent of Buyer so long as Buyer's breach is clear and convincing in Escrowee's subjective good faith judgment.
- iii) If closing of this transaction shall fail to occur, Escrowee shall not have disbursed the Deposit under subparagraphs i) and ii) and Seller and Buyer shall be unable to agree upon the disposition of the Deposit within 30 days after the Closing Date hereinafter specified, Escrowee may (at its option) institute an action in interpleader in the "County" (of Escrowee's principal office), the purpose of which is to secure Escrowee's release from further liability as to the Deposit. Escrowee shall be entitled to recover any reasonable costs (including its attorneys fees) incurred in so interpleading the Deposit. Once Escrowee is so released, the Circuit Clerk of the "County" (identified above as the county in which Escrowee has its principal office), shall hold the remaining balance of the Deposit pending outcome and disposition of mandatory arbitration proceedings as hereinafter provided.
- b) \$\_\_\_\_\_ (being the balance of the Purchase Price) in cash or certified funds at the Closing Date, subject to contractual and customary closing adjustments.
- 9. **Review and Inspection of Subject Property/No Warranty**. Buyer acknowledges that, prior to execution of this instrument, Buyer has carefully inspected the Subject Property and all parts thereof. Buyer agrees that Buyer will accept the Subject Property in its present "as is" condition. Without limiting the effectiveness or importance of other provisions of this Contract, Buyer agrees that this section, and the immediately following section, are of the essence to Seller.
- 10. Warranty Disclaimer/No Representations. Buyer acknowledges that neither Seller nor any other person on Seller's behalf (including Auctioneer) has made any representations, agreements or warranties as to the value, condition, quality or suitability of the Subject Property or any improvements therein or thereon and, therefore, Buyer agrees to accept title and possession of the Subject Property "as is", "where is", "with all faults", and without express or implied warranties of any nature whatsoever, provided however, Seller agrees that, at the Closing Date, the Subject Property shall be delivered to Buyer in substantially the same condition as it now exists, reasonable wear and tear excepted. The warranties being disclaimed include, without limitation, implied warranties of merchantability, habitability, tenantability and fitness for a particular purpose.
- 11. **Physical Condition Executory Waiver and Release.** Seller has encouraged Buyer to thoroughly inspect all physical portions of the Subject Property for the existence of any hidden defects which may exist. In consideration of this Contract, Buyer (for itself and its successors and assigns) hereby waives and releases any and all claims or causes of action which Buyer may have or acquire against Seller from and after the date hereof relative to the condition of the Subject Property. Such agreement on the part of Buyer constitutes a material consideration for the transaction herein contemplated and shall survive Closing.
- 12. **Title Exceptions.** The Subject Property shall be conveyed subject to the following exceptions ("Permitted Exceptions") to good and marketable title, regardless of whether incorporated into the Deed identified above:
  - a) Easements, reservations and restrictions of record; and
  - b) General state, county and municipal real estate taxes for the fiscal tax year of closing and subsequent years (subject to proration as hereinafter provided); and
  - c) Installment payments of special assessments (current year's installments to be prorated as provided below); and
  - d) Portions of the Subject Property in roads, roadways, streets and streams; and
  - e) Ordinances in effect on the date of this Contract as well as at the date of closing; and

- f) Building lines, restrictions, limitations and easements as shown on the recorded plat (if any) encompassing all or any part of the Subject Property; and
- g) Leases and tenancies, if any (and, if any, rentals shall be prorated between the parties as of the Closing Date, and Seller shall deliver to Buyer all, if any, security deposits held by Seller as "Landlord"); and
- h) Any material and adverse encroachment, visible/apparent easement not of record, survey defect, overlap, boundary line dispute or other servitude not of record but which would be revealed by an accurate ALTA survey of the Subject Property; and
- i) Such Schedule B-2 "exceptions" stated in the preliminary commitment for title insurance contained in the "Property Information Package" more fully identified below.
- j) Except as specifically permitted above, no existing mortgages or other liens shall be Permitted Exceptions, provided however, so long as Seller's sale proceeds are sufficient to discharge such existing mortgage or other liens, such mortgages and liens shall be discharged with Seller's proceeds of sale.
- 13. **Taxes and Assessments.** General real estate taxes and special assessments (including state, county and city) with respect to the Subject Property shall be prorated as of the Closing Date (Seller shall also, at the Closing Date, pay all said real estate taxes and assessments for all fiscal tax years prior to the fiscal tax year in which the Closing Date occurs).
  - a) If the actual amount of current general real estate taxes or assessments is not known, the amount to be prorated shall be the amount of general real estate taxes and assessments for the next preceding fiscal tax year, regardless of the actual amount of said taxes and assessments for the year in which Closing occurs, and such proration at Closing shall be final and conclusive even if the taxes and assessments for the fiscal year of closing are either more or less than the taxes and assessments for the fiscal year on which the proration is based
  - Any other impositions with respect to the Subject Property (such as but not limited to impositions arising from restrictions, covenants or community contracts applicable to the Subject Property) shall likewise be prorated at the Closing Date.
- 14. **Insurance, Condemnation and Risk of Loss.** If, prior to the Closing Date, any of the improvement(s) on the Subject Property shall be damaged so that the reasonable cost of restoration shall exceed \$5,000.00 or if any material portion of the Subject Property shall be taken under the power of eminent domain, Seller shall immediately give Buyer notice of same (and the nature and extent thereof) whereupon Buyer may, at the election of Buyer exercised by written notice given to Seller, terminate this Contract at any time within ten (10) days after Buyer shall have received such notice from Seller (or the Closing Date, whichever first occurs) whereupon Buyer shall be entitled to refund of the Earnest Money Deposit. If Buyer shall not so terminate this Contract within the time provided, this Contract shall remain in full force and effect without any diminution of the Purchase Price and Buyer shall receive all (if any) insurance or condemnation proceeds payable by reason of such material damage or taking with respect to the Subject Property.

# 15. Closing, Possession, Breach and Remedies.

a) This sale shall be closed at the offices of the Escrowee identified above, at any mutually agreeable time prior to 4:00 P.M. on:

\_\_\_\_\_\_\_\_("Closing Date"),

but if no mutual agreement for prior closing is so made, closing shall occur on such date and at such time so stated; and

- b) At the time of closing, all monies and papers shall be delivered, and all other things, called for by this Agreement at the time of closing, shall be done; and
- c) Seller shall pay for and bear the following costs of closing:
  - i) 100% of the cost of recording Seller's Deed, to the Subject Property, to Buyer; and
  - ii) 100% of the premium cost for the owner's policy of title insurance to be provided to Buyer by Seller at the Closing Date; and
  - 50% of any escrow charges or fees charged by the Escrowee so as to close the transaction herein contemplated; and
  - iv) 100% of Seller's share of prorated real estate taxes and assessment; and

- d) All other reasonable and customary costs and expenses of closing, if any, shall be paid and discharged by Buyer.
- e) Possession of the Subject Property shall be delivered to Buyer immediately after disbursement of funding, together with keys to the improvements on the Subject Property, subject to any leases, tenancies and the Permitted Exceptions.
- f) In the event Seller has performed Seller's obligations hereunder as of and through the Closing Date but Buyer fails to close and consummate hereunder (unless Buyer's closing and consummation obligations are relieved or suspended under the provisions of this Contract), the parties acknowledge that Seller shall suffer damage which is difficult if not impossible to ascertain. Therefore, in the event Seller has performed Seller's obligations hereunder as of and through the Closing Date but Buyer fails to close and consummate hereunder when Buyer is required to do so, this Contract shall be automatically terminated whereupon Buyer agrees to pay Seller and Auctioneer (as provided above) liquidated damages in the amount of the entire Earnest Money Deposit, in lieu of all other damages and in lieu of any specific performance remedies which Seller might otherwise have against Buyer.
- 16. **Real Estate Commissions.** Seller shall pay all, if any, realtors' and brokers' commissions payable to Auctioneer, by virtue of any transaction mentioned in this instrument, all pursuant to separate agreement between Seller and Auctioneer.
- 17. **Time of Essence.** Seller specifically declares to Buyer that closing and consummation hereunder no later than the Closing Date is of the essence to Seller.
- 18. **Attorney's Fees.** If Seller shall institute (or be joined as a party) in any action or proceeding (including arbitration proceedings) due to the performance, non-performance, mis-performance, breach or default under this Contract, then, if Seller prevails in such action or proceeding, Seller shall be entitled to recover from Buyer all of Seller's reasonable attorney's fees, court costs and investigative expenses.
- 19. **Notices.** All notices required or permitted to be given pursuant to this instrument, in order to be effective, must be mailed, if to <u>Seller</u>, at:

- 21. **Successors and Assigns.** All covenants, promises, conditions, representations and agreements herein contained shall be binding upon, apply and inure to the parties hereto and their respective heirs, executors, administrators, successors and assigns; it being understood and agreed, however, that Buyer shall have neither the right nor the power to delegate said party's duties or assign said party's rights hereunder without the express written consent of the other party, which consent may be withheld for any or no reason whatsoever.
- 22. **Governing Law.** This Contract shall be deemed made within the state of Missouri and the laws of such state shall govern the interpretation and construction hereof.

23. **Further Acts.** Both parties shall do and perform such other and further acts as are reasonably necessary so as to effectuate their intentions as herein expressed.

- c) The failure of either party to insist upon strict performance by the other party of any of the covenants, conditions, provisions, rules and regulations, and agreements in this Contract shall not be deemed a waiver of any of such party's rights or remedies and shall not be deemed a waiver of any subsequent breach or default by the other party.
- d) No agency or partnership or joint venture relationship is intended to be created, by this instrument or otherwise, between Seller and Buyer.
- 25. **Lead Paint Disclosure.** If the Subject Property is residential property, the improvements on the Subject Property may have been constructed prior to 1978. If such is the case then, concurrently herewith, Seller and Buyer shall execute a lead-based paint disclosure form and Seller shall immediately give Buyer a copy of the federally mandated pamphlet entitled "Protect Your Family from Lead in Your Home".
- 26. **Protection of Auctioneer**. Seller and Buyer jointly and severally agree to indemnify and hold Auctioneer harmless against any and all losses, claims, damages or liabilities and expenses not resulting from Auctioneer's bad faith or gross negligence, including costs of investigation, attorney fees, and disbursements, which may be imposed upon or incurred by Auctioneer hereunder relative to the performance of its duties related to Seller, Buyer or the Subject Property, including without limitation any litigation arising from or in respect of this Contract or the transactions contemplated hereby. # "ONLINE BIDDING" REAL ESTATE AUCTION TERMS AND CONDITIONS

## **REGISTRATION:**

Proper and complete online registration is required to bid. All bidders must provide valid contact information including full name, address, phone number, and email address to register. A credit card (MC, Visa or Discover) is also required and will be validated before bidding access is granted, but is not a recognized form of payment for the earnest money deposit or purchase price. To be fully approved for bidding a potential bidder must communicate over the phone or email with a Cates Auction & Realty Co. representative. By registering, all bidders acknowledge having read and agree to be bound by the Auction Terms and Conditions. Bidders may register prior to, or during the bidding period. At registration bidders are given the option of receiving emails confirming their individual bids and/or when they are outbid.

## ONLINE BIDDING:

All bidding in this auction is being conducted online. (If you need assistance placing a bid or prefer to submit a bid in person, please call our office for assistance at 816-781-1134) To place a bid, bidders have the option to bid in one of three ways 1) bid the current asking price, 2) bid a specific amount or 3) create a maximum bid. The "maxbid" or SET MAX" feature allows a bidder to enter their maximum bid. This authorizes the system to only bid the smallest acceptable bid increment on the bidder's behalf when they have been outbid and only up to their maximum bid. The benefit of this feature is to provide you, the bidder with an easier way to bid by not having to login and manually bid each time you have been outbid. In the case of an auction with reserve, if the maximum bid entered is less than the reserve, the system will place the bid at the bidder's maximum bid. If the reserve has been met or it is an auction without reserve, the system will only bid the smallest acceptable bid increment on the bidders behalf when they have been outbid and only up to their maximum bid. This auction utilizes a "Soft Close" feature that automatically extends the bidding time if a bid is received in the last 2 minutes of the auction. These extensions will continue until 2 minutes have lapsed without any bidding activity, at which time the auction is concluded. The benefit of these extensions is to provide an even playing field for all bidders.

# **BUYER'S PREMIUM:**

A buyer's premium of the greater of \$2,500 or ten percent (10%) of the high bid shall be added to the high bid and included in the total purchase price to be paid by the successful bidder(s).

Sample calculation -- High bid = \$100,000

Buyer's Premium =  $\frac{$10,000}{$110,000}$ Total purchase price =  $\frac{$110,000}{$110,000}$ 

# FINANCING:

Financing is not a contingency of sale in this offering. Therefore, it is strongly recommended that potential bidders ensure in advance that they are able to obtain the necessary financing to close the transaction and provide a pre-approval letter from their lender.

# CONTRACT SIGNING:

At the conclusion of the auction the Winning Bidder will be notified and receive an email and/or phone call confirming their winning bid status. In this or a subsequent email the Winning Bidder will receive a link to sign all documents electronically along with wiring instructions for

submitting the required earnest money deposit to the named title company. Should the electronic processes described above be unavailable, alternative arrangements will be made. In any event, the contract signing and deposit payment process must be completed by close of business on auction day. All final bids are subject to Seller's reserve unless advertised otherwise. Any property with a high bid exceeding the Seller's reserve will be declared "sold" by the Auctioneer. In instances where the seller's reserve was not met in the auction, the signed contract and accompanying deposit will be presented to the Seller for approval, which shall be given or denied in the Seller's sole discretion within 5 business days of the auction. If approval is denied, all documents and the deposit will be returned immediately.

## **EARNEST MONEY DEPOSIT:**
